

KINDERGARTEN TRANSITION INFORMATION:

Kentucky River Foothills Head Start has a transition procedure in place for children entering and exiting Head Start. KRFHS also has a preschool-kindergarten transition process in place for each county outlining the events that occur in preparation for the transition to kindergarten. Some examples of events that take place are: parents receive information regarding when registration takes place as well as all of the necessary requirements to take with them to registration. Teachers incorporate transition activities into their daily schedule and each child moving on to kindergarten receives a copy of the book "The Night Before Kindergarten".

Parents of children with special needs transitioning to kindergarten are encouraged to attend a transition Admission Release Committee (ARC) meeting to discuss their child's progress as well as meet a kindergarten teacher and therapist(s) at the receiving elementary school.
